

Dear fellow Business or Individual,

On behalf of the kids and horses excited to show off their skills, Walker Acres Riding Academy is asking to partner with you to provide fantastic awards and supplement costs that are associated with youth Horse Showing. W.A Riding Academy prides itself on providing a safe and healthy learning environment for both horse and rider that promotes the growth of good character traits like good sportsmanship and accountability. We specialize in rehabilitating and reworking the project horse. Through teaching riders how to self-regulate and remain calm in all situations, both horse and rider learn to overcome trauma and anxiety and manifest self-confidence that can be applied in and out of the riding arena.

Horse showing is expensive! In an effort to supplement the costs for both facility and show entries, W.A Riding Academy is looking to partner with businesses or individuals who'd like to get involved with their community, get some goodies, put their name out there, and get a tax break while they're doing it! Our program is designed to nurture and stimulate both the mental and psychological growth between horse and rider and further, we believe horses are for everyone!

Sponsors make it possible for riders on fixed incomes to afford opportunities they may not have otherwise been able to participate in. Those same sponsorships supplement costs for our incredible horses nutritional needs as well as provide stellar awards for our youth program. Thanks to our sponsors, we have been able to rehabilitate over 4 rescue horses, provide and host 3 youth training events, and open our program up to riders and families who may not have otherwise been able to afford it.

In an effort to pay it forward, W.A Riding Academy actively hosts and participates in charities and toy drives by partnering with organizations like U.S.V.C(U.S Veteran Corp) and US Marines Toys-4-tots through our Deck The Stalls program in addition to our Helping Hooves program that adopts families/individuals who may need a little help during the Holiday season. We have raised over \$3,000 US and donated 100% to families needing a Helping Hoof.

All sponsors receive media shout outs on all our platforms and get featured on our Barn Channel as well as receive a plaque for your home or office as a token of our appreciation. On behalf of all of us at Walker Acres Riding Academy, we appreciate your consideration and look forward to partnering with our community and continue to share the magic our horses radiate.

Sincerely,

Julia Walker Program Director & Coordinator
